Help Tricky Witch find her wand

Tricky Witch is looking forward to World Book Day.
However she has a bit of a problem.
She has lost her magic wand!

Can you help Tricky Witch find her wand?

We have put together some printable resources to help support the children.

In this download you will find

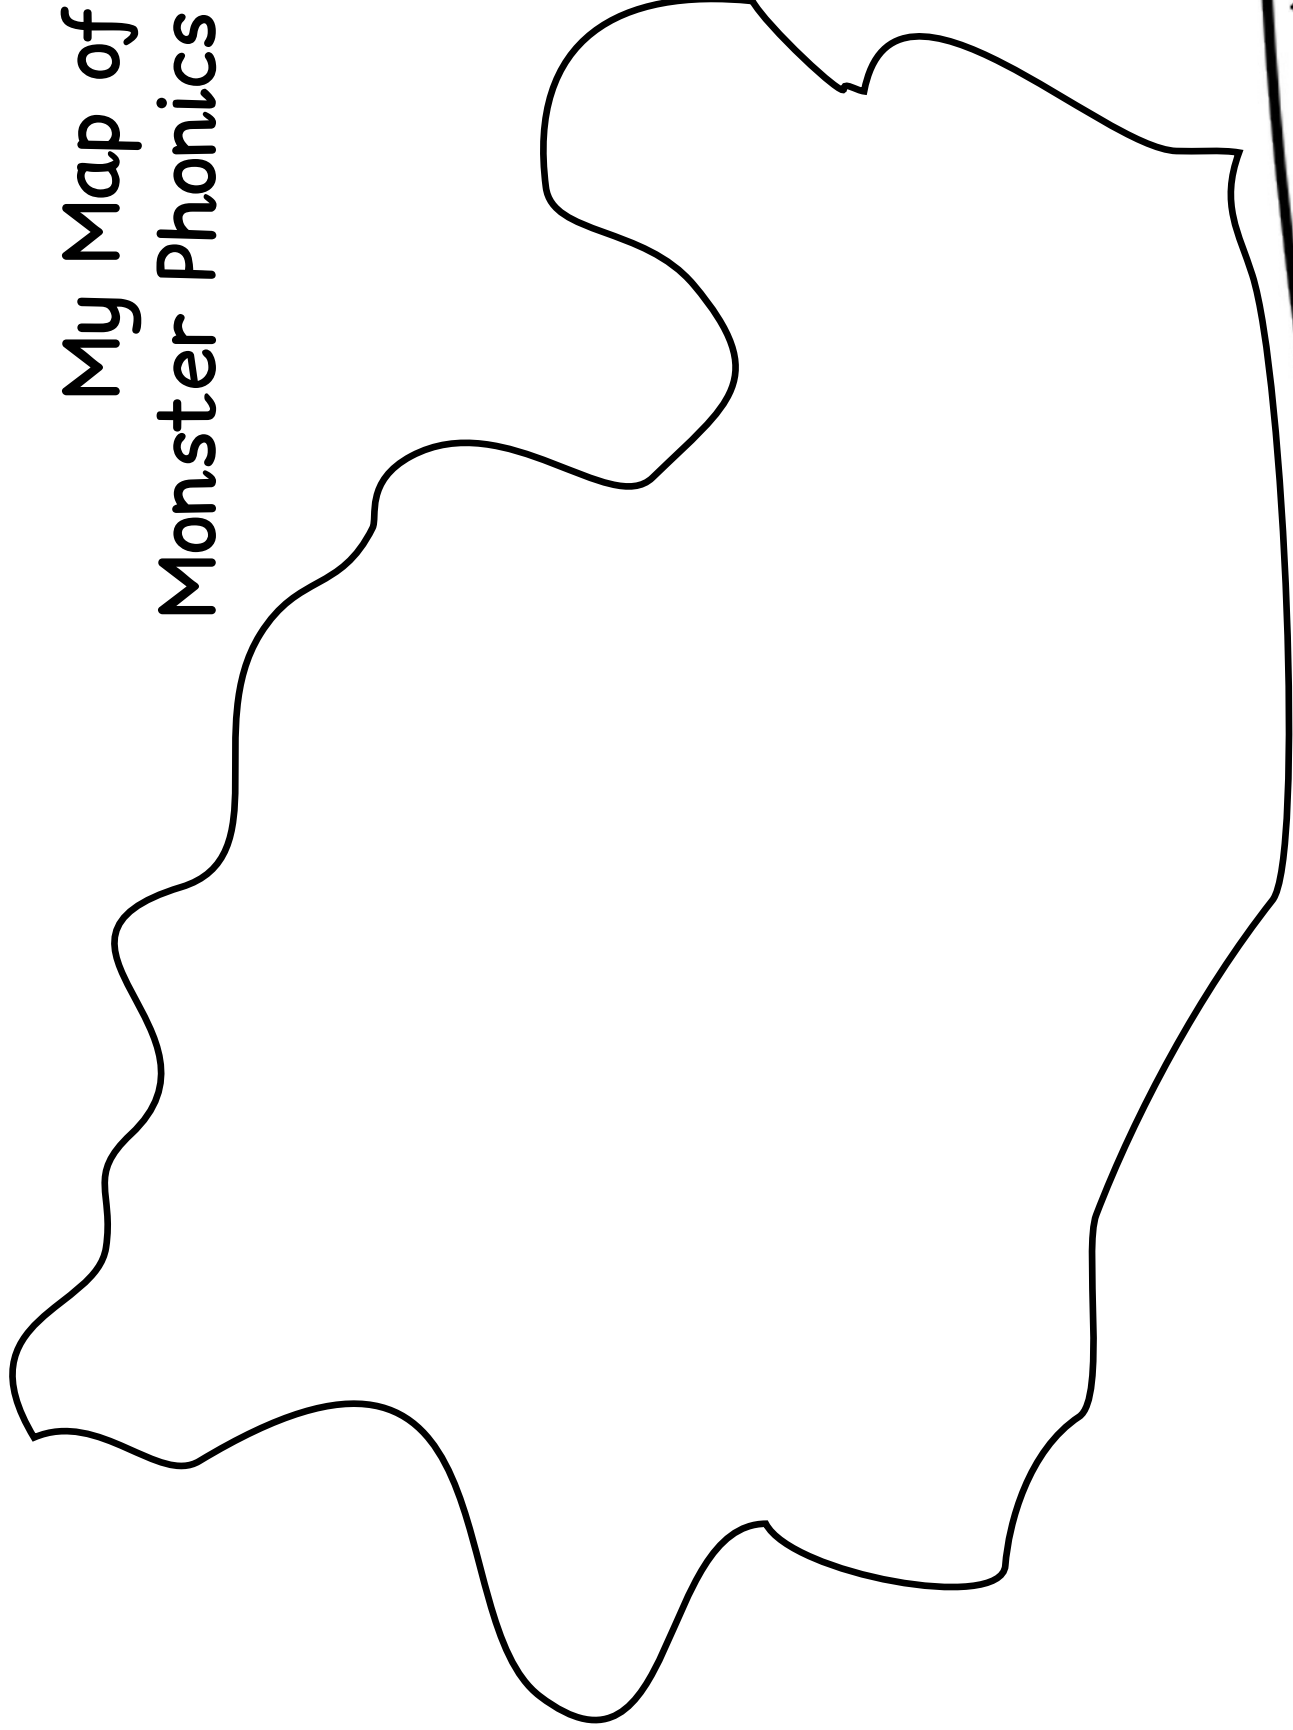

- A map of Monster Phonics Land
- The Monsters' Houses
- Writing paper

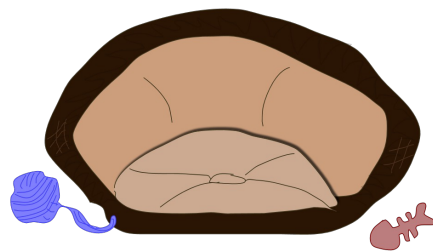

After the children have made their map, please take a photo and email to:

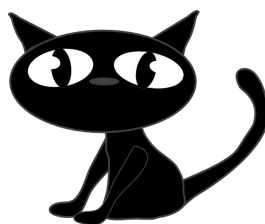

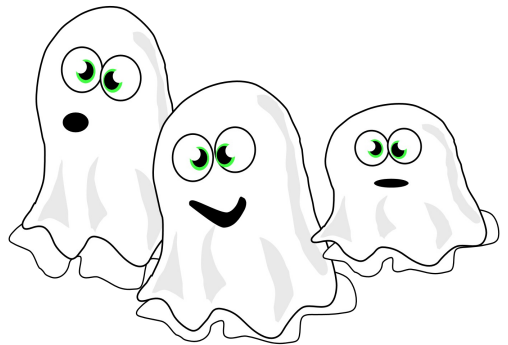

trickywitch@monsterphonics.com

Tricky Witch will reply to each email and as a thank you, she will send back a World Book Day Activity Pack, full of engaging activities.
