Monster Phonics

FREE Live Training Events throughout the year – Book Now!

Head to our CPD calendar below to see all your live training for the whole year and to book events from Term 1 2024/25. Following a live training event, downloaded recordings will be available on our Online Training Hub.

We would love to see as many of you as possible attending the live webinars!

In Person Training & Support

Face to face online sessions, in your first year, including initial training and support sessions, followed by regular health checks every six months .

Our Online Training Hub

Our Training Hub is available 24/7 for all member schools. We post recordings of all our live webinars on to the hub as well. It is organised as follows:

- ★ **Core Training** – A range of training modules covering all the practical aspects of getting started and teaching with Monster Phonics.
- ★ **Enhanced Training**- Tailored role specific training for headteachers, phonics leaders and teachers.
- ★ **How to Videos** - Videos to support and inform your teaching of key elements of the programme.
